Flanshaw Junior, Infant & Nursery School

Education in Mind, Community in Heart, Success in Life!

Personal Development Journey

Year Groups

Cultural Capital at Flanshaw:

Primary futures:
Primary Futures is a inspiring day that allows children to learn about a range of careers and job roles. Developed with teachers, it connects primary schools with diverse workplace volunteers to take part in aspirations activities and talk with children about their jobs

Little City project:
This runs alongside the Primary Futures event, giving our younger pupils the opportunity to play and investigate a range of shops and businesses.

Children's University:
We are committed to the Children's University scheme. The pupils gain 'hours' for completing enrichment activities inside and outside school.

School visits to develop Cultural Capital: Hepworth, National Coal mining museum, Coxley Woods (local cultural history) Yorkshire Sculpture park, Wakefield Theatre

Support for mental health and well-being:
We have two ELSA practitioners that carry out sessions with pupils that require regular support with their mental well-being. Our learning mentor runs a 'soft-start' breakfast for some disadvantaged/ vulnerable pupils.

Year 6

- **Year 6 enterprise-tuck** shop project.
- **Junior Leadership Team** Leadership and responsibility.
- **PSCO** Antisocial behaviour and safeguarding talk.

Year 1

EYFS

Library Visits
Each class visits the school library each term; we are passionate about developing a love of reading.

Summer Fair
The annual summer fair provides an enterprise opportunity for each class; they are required to design, make and sell a product for profit.

Outdoor Learning
We collaborate with 'Taylormade' outdoor learning to plan outdoor learning days linked to specific curriculum areas.

Healthy Week:
We host an annual healthy week that focuses upon both physical and mental health.

Community Picnic
This event brings the school community together. All parents and carers are invited.

Sports Days:
Annual sports days are inclusive for all and provide an opportunity for talented athletes to showcase their talents.

After school enrichment:
We are proud of our varied after school enrichment programme. All teachers lead a club that is linked to sport and games, art and crafts, Computing or music.

Parent Workshops
Every class hosts apparent workshop to fully involve parents and carers in their child's learning.
