there were lots of egyptian gods in ancient egypt.this is my report on egyptian gods

Ra was a sun god. He has a bird as a head and a human body and he had a hat with a sun on it. He sailed in the heavens draging the sun with him and the moon .If you dont pray to him he will burn you. Make sure you offer him something in the temple.

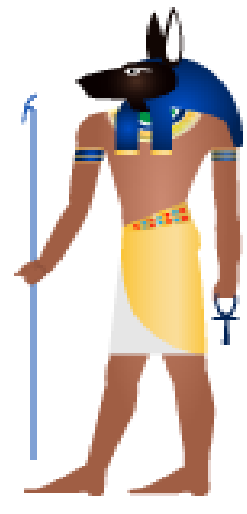

Egyptian God or Goddess

Name:Scarlett

There were lots of Gods in Ancient Egypt. We leant a song in class. Here is some facts about...

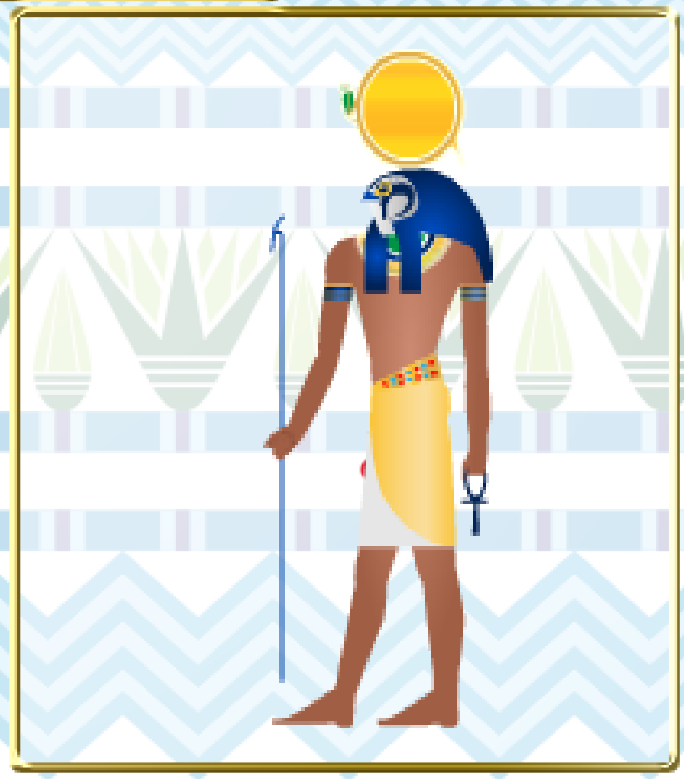

The god I favour the most is Geb. Geb has a humam body with a dog head and wears a blue head scarf and a clothes wrap.Geb is the god of earth and water. The slaves would pray to Geb because he helps the earth and water. If the slaves dont pray to Geb they will get beaten with a staff.Gebs statue had some gold parts on it. I would worship Geb in order to take care of earth and water.
